Healthy Congregations Report

Supporting intentional, effective congregational and community health ministry in Great Plains UMCs

Planned Programs Report (FIRST Program)

For each program listed on **last year's** plan (*up to five*), report on your experiences related to that work.

<i>Program Name:</i>	[Community Garden Development]
<i>New?</i>	[is this a new program versus ongoing/repeated from previous years?]
<i>How Often:</i>	[once quarterly monthly weekly etc.]
<i>Number Served:</i>	[67 church and community members]

Program Description (from last year's plan):

Program Objectives (from last year's plan):

Did you achieve the program objective? Why or why not? (include # of people, how success was measured, etc.)

How did actual participation compare with your forecast?

What challenges did you encounter preparing for, and during, the program/project/event?

What feedback did you receive from participants and volunteers? How well was the program received?

What would you do differently next time?
