

# Faith-Based Animator Network

The Faith-Based Animator Network (FAN) equips people of faith to be the hands and feet of Christ in their neighborhoods. **Through this 14-week paid program, you'll learn to see where God is already at work in your community**, build authentic relationships, and discover the abundant gifts already planted right where you live. This is neighboring as discipleship: learning to see where God is already at work and joining in bringing transformation in your own backyard.

## What You'll Do:

- **Commit 3-5 hours weekly** to learning and engaging with neighbors
- **Embrace an abundance mindset** and discover the basics of Asset-Based Community Development (ABCD)
- **Join weekly 1-hour Zoom discussions** on ABCD and your neighboring experiences
- **Spark meaningful conversations** with neighbors to uncover their strengths and passions
- **Conduct mini-experiments** that ignite social and civic engagement
- **Create a Gifts Garden of your neighborhood's strengths and resources** to showcase the vibrancy right outside your door
- **Receive practical training** through in-person workshops and weekly coaching
- **Grow as a disciple** and community connector with support from fellow practitioners

## Who Can Apply?

Anyone age 18 and up with an interest in building social connections, discovering God in their neighborhood, and embracing an abundance mindset.
