— Health & Healing Ministries —

Health & Healing Ministries support opportunities for a healthy, healing, and caring community where each can seek to become a whole person in Christ. We, as part of a faith community, strive to provide opportunities to ignite and honor the energy and draw forth the power within for healing and wholeness for self and all creation.

Purpose of Health & Healing Ministry

- To embody the spirit of Christ's Healing Ministry
- To embolden individual spiritual, physical and mental growth
- To empower all to participate in the continuing journey with God, others self and the environment

Core Values

As we provide opportunities for ministry and services, we are guided by the following:

Caring ♥ **Wholeness**

Respect ♥ **Outreach**

Diversity ♥ **Inclusiveness**

Examples of Opportunities in Health & Healing Ministries

- Plan and implement educational programs
- Share health & healing information
- Conduct health screening/clinics
- Facilitate programs for health & healing
- Provide free health equipment through our HELP program
- Participate in the prayer chain
- Provide flower delivery/cards to hospitalized and home-bound
- Support the faith community nurse and network

"The Love of God, as it is the sovereign remedy of all miseries...and by the unspeakable joy, and perfect calm, serenity, and tranquility it gives the mind, it becomes the most powerful of all the means of health and long life."

John Wesley, The Works of John Wesley
