

**1 in 7** people in  
the U.S. are hungry  
and the charitable sector  
is already stretched thin.

For every 1 meal  
a food bank provides,  
**SNAP**  
provides **9**.

**2/3** of all SNAP  
recipients  
are our most vulnerable  
neighbors: children,  
senior citizens and people  
with disabilities who cannot work.

The average SNAP benefit  
is just **\$2** per meal, or **\$6** a day.

Every **\$1**  
**invested**  
**in SNAP**  
generates \$1.50 in economic  
activity for local farmers  
grocery stores.
